The Creation

All things were made by him [God]
John 1:3 (KJV)

God Made It All

Genesis 1 & 2

"Let there be light," God said and light broke through the darkness!

When this world started, God was already there. He made everything in six days, like this:

The first day, God created light.

The second day, He made the sky, clouds and air.

The third day, God made the earth, the oceans and the plants.

The fourth day, God made the sun, stars, planets and the moon.

The fifth day, God spoke and fish filled the oceans and birds filled the skies.

The sixth day, God spoke and the earth produced all the animals and insects that walk and crawl around. Then, God did something extra special. From the dirt, God formed something that looked like Him. It was the first human. His name was Adam. God breathed into him and man became a living soul.

God liked everything He had made, but there was a problem...Adam was alone. God said, "That's not good." So, God took one of Adam's ribs and made a woman so Adam would have someone to be with him and to help him.

Then God looked over everything He'd made and said, "This is very good!"

On the seventh day, God rested from making everything.

That was just the beginning. Later on, God would bring the Light of the World, to darkened hearts so they can know the One who made them!
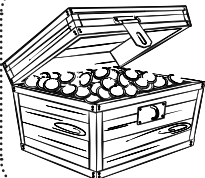

What did we discover?

1) Who was there before the world existed? _____

      NOBODY   GOD   ME

2) On what day did God create light? _____

      THE FIRST DAY   THE SECOND DAY   THE THIRD DAY

3) What did God make from the dirt? _____

      CATS   ADAM   TREES

4) What did God do on the seventh day? _____

      HE RESTED   HOMEWORK   CHORES

How can I thank God for all that He made?

God made everything.
God made me,
and He has a purpose
for my life.

**Father God,
What do You want
me to do today?**
