Ephesians 1:7 (NKJV)

Blood Over the Door

Exodus 12

“The blood is a sign,” God said. “The plague of death will not enter the houses with blood on the doors.”

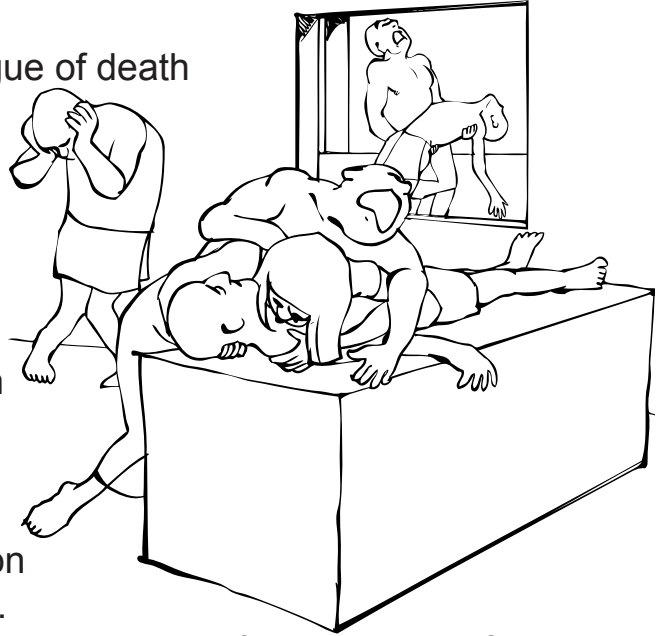

Nine plagues had destroyed the land of Egypt because Pharaoh refused to obey God and let His people go free.

Still, there was one more plague coming. It would be something terrible: The firstborn son of every family would die in one night.

God had a plan to protect the sons of the Israelites from this terrible plague. Each family had to kill a lamb and put the blood on the top and sides of the door of their house.

That night, God went through the land of Egypt and the first born son of each house without blood on the door died. The blood on the door was a special sign that that house was protected. The Egyptians cried loudly that night because their sons died.

Each one of us need to be saved from the plague of death. Only the blood of Jesus from when He died on the cross can mark our lives and wash us from our sins. Jesus’ blood saves us from death! Don’t wait another day. Put your faith in Jesus today and be saved from death!
