Psalm 86:8 (NIV)

The One True God

1 Kings 18:16-39

"The God that sends fire on His sacrifice is the true God," said Elijah.

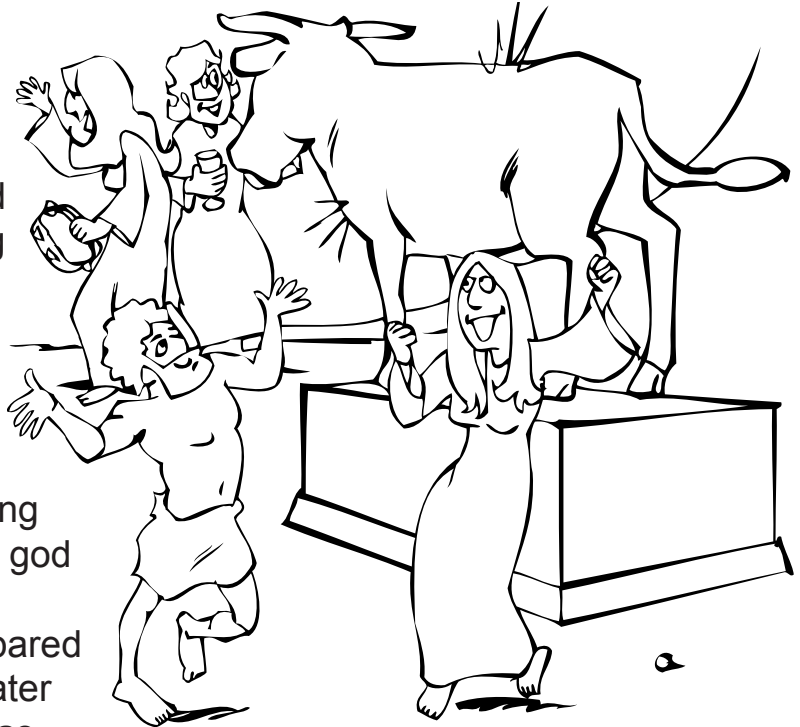

The people of Israel had stopped serving God and were worshipping idols. Elijah the prophet of the true God challenged the priests of the idols to a contest to see who served the true God.

Four hundred priests tried to get their god to send fire, but nothing happened, not even a spark. Their god wasn't real. Finally, they gave up.

Then it was Elijah's turn. He prepared the altar and poured a bunch of water on the wood and the sacrifice. It was soaked! Then Elijah prayed and immediately God sent fire from heaven. It burned up the sacrifice, the water, and even the stone altar.

The people shouted, "The Lord is God, the true God!"

That day the people met the true God and saw that He is One who is powerful and real.
