Jesus Our Healer

Mark 5:22-43, Luke 8:41-56

"Lord, please help me," cried a leader from the synagogue named Jairus. "My daughter is very sick."

Jairus bowed down and begged Jesus to come and heal his sick little girl. She was only 12 years old, but she was dying. Jesus went right away. On the way to the house, Jairus received a message.

"Don't bother Jesus anymore," it said. "Your daughter is already dead."

That was terrible news!

Jesus heard, but the news didn't stop Him. "Don't be afraid," He said. "Just believe."

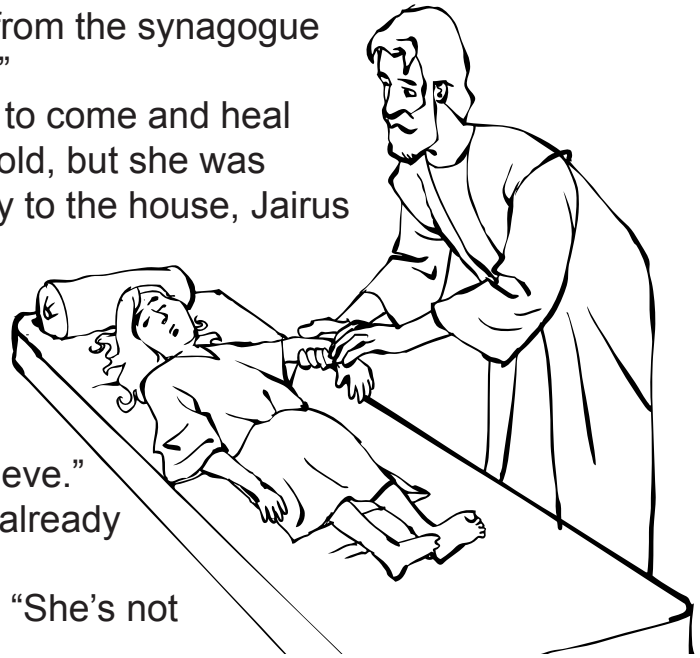

When they got to the house there was already a big crowd of people crying and sad.

"Why are you all crying?" Jesus asked. "She's not dead. She's just asleep."

The people laughed at Jesus, because they knew she was really dead.

Jesus already knew what was about to happen, so He had the people leave and went inside with just the girl's parents and three of His disciples. They went to the room where the girl's body lay. Jesus took her hand and said. "Little girl, get up!"

Immediately the little girl stood and walked around. Jesus told them to give her some food. She was healed and raised from the dead by God's power!
