

...whoever drinks the water
I give them will never thirst.

John 4:14 (NIV)

106 Living Water for the Thirsty

John 4:1-26

“Drink living water, and you won’t be thirsty anymore,” said Jesus.

One day Jesus was on a trip, walking with His disciples. They stopped at a well outside a Samaritan village.

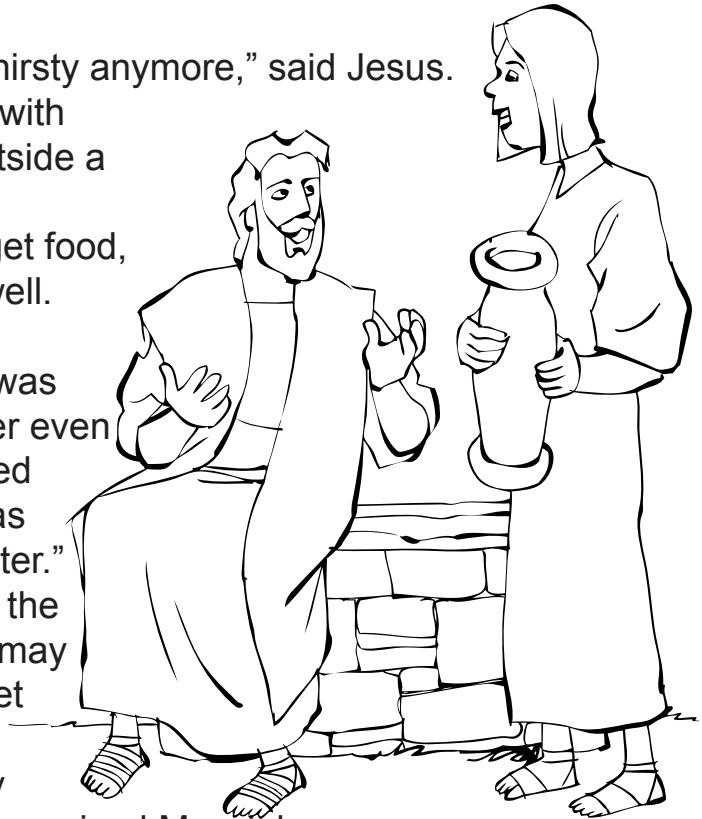

While the disciples went into town to get food, a woman came to get water out of the well. Jesus asked her for a drink of water.

As the woman and Jesus talked, she was surprised because He knew all about her even though they’d never met. Jesus explained that He is the Messiah that everyone was waiting for and He offered her “living water.”

The woman hurried into town and told the people about Jesus. She told them He may be the Messiah, so they went out to meet Jesus.

They listening to Jesus and when they heard Him, many believed Jesus is the promised Messiah.

Jesus stayed with them for two days and the people said, “Now that we’ve heard Him ourselves, we believe He is the Messiah.”
