# A Surprise on the Road

Luke 24:13-35

“What are you talking about?” asked the stranger.

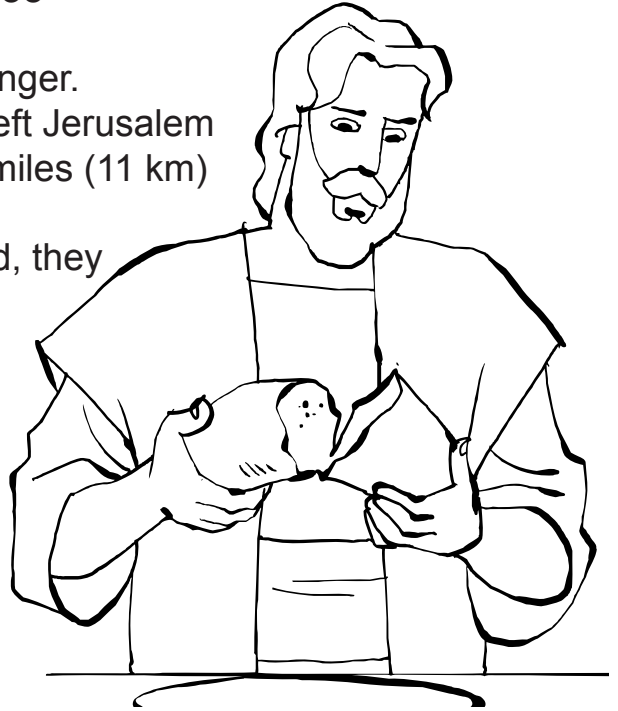

It was Sunday when two followers of Jesus left Jerusalem on their way to the town of Emmaus--about 7 miles (11 km) away.

They were sad and confused. As they walked, they talked about what had happened. Soon a man walking on the road asked them what they were talking about.

They explained how Jesus was crucified and buried, but this morning women had arrived telling that they had seen Jesus alive! This all seemed incredible, but they didn't know what to think about all of it.

“You guys aren't very quick to believe what the prophets taught,” said the stranger. Then He explained how Moses and the prophets had said the Messiah would suffer and what God's plan says about it in the Bible.

When they came to their town, they invited the man to stay with them and eat. As the man thanked God for the bread and passed it to them, God opened their eyes and they realized that the man was Jesus Himself! Then Jesus disappeared. Quickly, they ran back to Jerusalem and told the others that Jesus is alive!
