

**And the prayer of faith will save the sick,
and the Lord will raise him up.**

James 5:15 (NKJV)

134 The Power of Jesus Christ

Acts 9:32-42

"Jesus Christ heals you!" declared Peter. "Stand up!"

In the town of Lydda, Peter met Aeneas. He was a paralytic and hadn't been able to move for eight long years.

Peter saw that Aeneas needed God to heal him so he spoke Jesus' name. Right then Aeneas was healed and got up. Everyone in that area who saw what God had done began following Jesus.

Not too far away was a town called Joppa. A follower of Jesus lived there and liked to help poor people. Her name was Tabitha Dorcas. Tabitha got sick and died, but the people in Joppa heard that Peter was nearby so they sent for him, and Peter came to Tabitha's house.

The people were crying and showing Peter the clothes that Tabitha had made for them. Everyone was very sad.

Peter went to the room where Tabitha's body lay and prayed to God. Then he said, "Tabitha, get up!" Immediately the woman who was dead opened her eyes and got up. After this miracle, many people in Joppa believed in Jesus

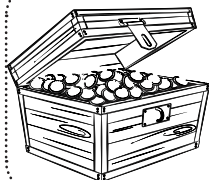

What did we discover?

- 1) Aeneas had been unable to move for _____ years.
THREE SIX EIGHT
