Who likes apples or bananas? Fruits are tasty and they are full of vitamins that help us grow strong!

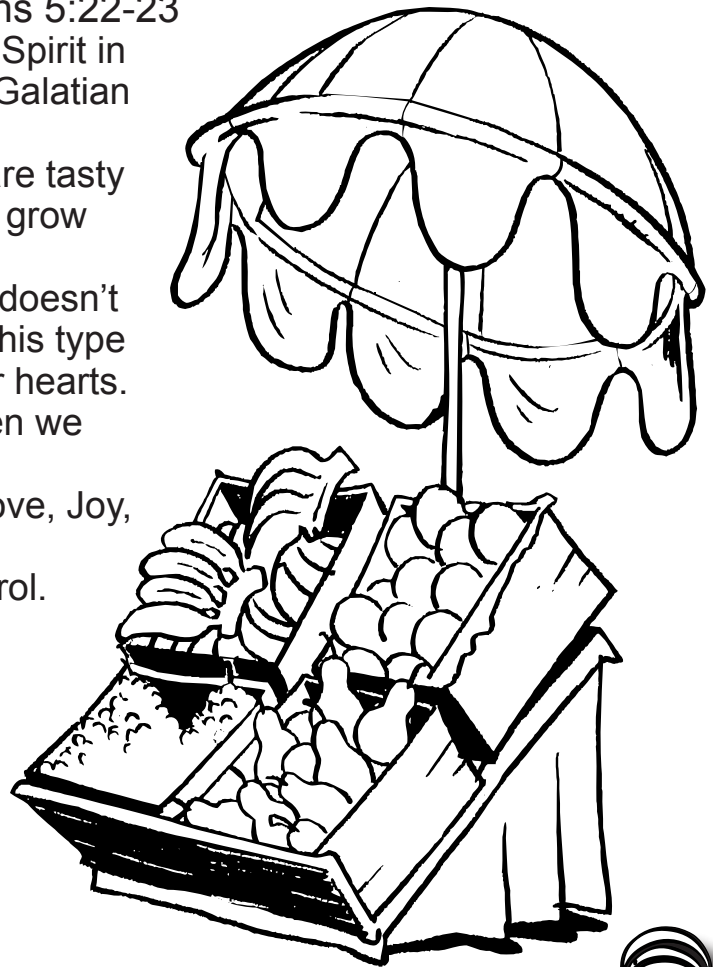

Paul wrote in the Bible about fruit that doesn't grow on trees but in our spiritual lives. This type of fruit is great, not for eating, but for our hearts. This Spiritual fruit grows in our lives when we follow Jesus and His Word.

What is this fruit? It has names like: Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness, and Self Control.

These are great things to have in our lives for us and others to enjoy!

How can we have more of these in our lives? Here are three things we can do to help grow more Fruit of the Spirit:
