Proverbs 31:30 (NIV)

"Mommy, Mommy!" called Hosea as his mother entered the kitchen. "You have to see what's in the living room!"

Mother had just arrived at home after a morning of grocery shopping at the market. She was tired and her feet hurt, but she saw the excitement in Hosea's eyes. "Ok, Ok!" she laughed. "Let me set these bags down!"

Hosea was jumping with excitement when Mother finally walked into the living room. The floor was so clean it was shining and the table had a vase of beautiful wildflowers. There were colorful drawings sitting next to it.

"Happy Mothers' Day!" yelled Dad, Hosea and his siblings.

"I cleaned the house for you!" said one.

"and I washed the dishes," said another.

"I found the red flowers!" said one of the girls.

"I found the green leaves in the woods!" said Hosea. "These cards are for you!"

"Happy Mothers' Day," said Dad, giving her a kiss.

"Your are a great blessing for all of us!"

"Thank you! I love you all," said Mother, hugging each of them.

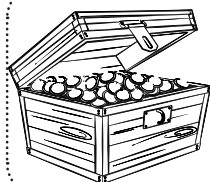

Together they sat down and looked at the colorful drawings and laughed together.
