How to Be a Disciple

Matthew 10:2-16, Mark 5:1-20

**Bible
Principles**

"Come, Follow me!" Jesus said.

When Jesus called His disciples, they left their work to follow Him. They learned to live and do things like Jesus, their teacher, did.

If someone wants to be a disciple, they should do the same!

Maybe you're thinking, "What can I do? Do I have to leave my work, my studies, my family, and walk around all over the place?"

Maybe, but it may be a different way. Jesus calls us to follow Him with all our hearts. We should learn all we can about His Word--The Bible. We can share about Jesus with the people around us -- our neighbors, friends, and others.

One time, Jesus set a man free from a bunch of demons that were terrorizing him. This man was so thankful, he wanted to follow Jesus, but Jesus had other plans for him.

"Stay here." Jesus said. "Go and tell everyone what God has done for you!"

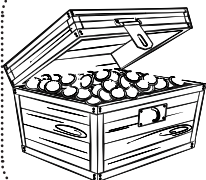

We can learn God's Word in our homes and at church. We can start doing what God's Word says, and we can tell others about what God has done in our lives. In this way, we can be followers or disciples of Jesus right where He has placed us as we listen for Him to tell us where to go next!
